Project Title:

Please answer the following questions for your GAAPP funding proposal. It is not necessary to write a long proposal.

1. **What** are the project objectives and **how** will it meet unmet needs in your community?

2. **Describe** the project and **outline** below what you will do to accomplish this? Bullet points are fine.

3. **How** will you promote the project and **how** will it benefit the GAAPP community at large? **Explain** how you will evaluate impact and measure success.

4. **Describe** the timeline of the proposal (e.g. production time, launch date, etc.)

5. **What** is the budget for this project? Please **itemize** below.
